Welcome to week 6 of term 4. Christmas is just around the corner and at the moment it is all stations go! go! go! ☺☺☺

What has been happening?

Each week the students have been travelling into Georgetown to participate in swimming lessons as part of the Active After School Care program. Swimming lessons will continue, right up to the last week of school (Monday 2nd December). Thank you every so much to all the parents, staff and the Forsyth Tourist Park, who make these swimming lessons such a success!

Haylie Dighton spent 3 days, from the 13th to the 15th of November, attending Savannah Health's Transition program for years 6 and 7 students who are off to high school in 2014. Haylie had a fabulous time and enjoyed the opportunity to learn about some of the important changes that she will experience next year at high school.

What is coming up?

On the 29th of November, the Forsyth All Sports Club will be hosting a sporting day at the school. All children from the community are welcome to attend.

Brian Stewart will be coordinating the day and he will be accompanied by Aaron Payne (played 250 games for the Cowboys) and his brother Dean (Cowboys Development Manager). This should be a very exciting, fun filled day so please ensure that the children bring a water bottle, adequate sun protection and a lunch box full of energy foods.

Parent / Teacher interviews will be happening in the final week of school on Monday the 2nd and Tuesday the 3rd of December. Please make sure that you send your note, with suitable timeslots, back to school ASAP so that I can schedule everyone in. I look forward to seeing all parents/caregivers and showing-off the amazing work that the students have been doing.

Go West will be visiting us on Tuesday the 3rd of December. They are a delightful group of young people who dedicate their time to interacting with the students and allowing them a fabulous day of fun before the school holidays. Again, please ensure permission notes are returned to the school ASAP.

The school's Christmas Tree evening will be held on Wednesday the 4th of December at the CWA hall from 6pm. The students will be doing some performing as well as showcasing some of their work.

We'd love to see as many people there as possible so if you haven't got anything else planned, please come and join us for our P&C BBQ and Christmas Hamper Raffles followed by School Presentations and Christmas festivities.

Santa will be visiting the children so if you are attending, please make sure that you arrange for a gift (worth about \$20) to be delivered to the school by Friday the 29th of November.

Kind regards,

Hailey
